

MAY 2024 UPDATE

UNITY BIBLE CHURCH

Zomba

"Him we proclaim, warning everyone and teaching everyone with all wisdom, that we may present everyone mature in Christ." - Col 1:28

Community Evangelism

In obedience to the charge we find in Matthew 28, we have continually committed ourselves to reach the community around where we meet for church with the gospel of our Lord, Jesus Christ. As such, every Saturday we go out doing door to door evangelism. One thing that has been a blessing is to see how people are willing to open their doors to sit and talk to us.

In this picture is one of the homes we visited and have been following up on the brother we talked to. Over the time, he invited some of his friends that they too could hear the gospel. It is unfortunate that the one who has committed to come to our church from these brothers was behind the camera. Above all, we are starting to see fruit of our evangelism and we will continue to go out.

Promoting the Production of Sound Literature

About a week ago I was invited to a meeting by a brother who is pastoring one of the like-minded churches in Blantyre. This was an opportunity for us to meet with Pastor David who works with Reformation Heritage Books. His coming to Malawi is to see how we can work together to boost the production of sound literature in our language.

This is one of the works that we have desired to see happen in Malawi. That is why even Antioch Baptist Church is laboring in this area of translation of good literature so that the Malawian pastors, students, and believers can have a direct appreciation of sound theology in their language.

In this meeting we discussed about how we can come together to do some translation work from the puritans, contemporary writers, and also incorporate Malawians who are passionate about writing books. Reformation Heritage Books is willing to come alongside the sound churches for this cause.

Ladies Tea and Farewell to the Finales

One of the sisters who is a member of our church is getting married to a brother from our sister church in Lilongwe. My wife with other ladies from church organized a “Tea Party” to encourage the sister and send her off. Even though we are not going to officiate the wedding, we are very excited that when they are married, the two will live in Zomba.

We were also privileged to host the finales for dinner at our house. In the pictures below are the students who are wrapping up their time at the university and have been faithfully attending our discipleship meetings. It was very encouraging and edifying to hear the testimonies of how they have benefitted from our meetings and the desire they have to continue discipling others when they go home.

We will miss them but we are also thankful to God for the time He gave us to shepherd them during their time to study on campus.

PLEASE PRAY FOR US THIS WAY:

- **FAMILY**

- Please pray for our continued faithfulness as we serve God in the city of Zomba.
- Pray for the salvation of our kids as they are growing up
- Help us thank the Lord for His provision

- **CHURCH**

- We are planning to start another membership class in the next two months. Please pray for those who have applied to join us as members and their commitment to the church.
- We have also started to look for land that we can potentially buy for the church. Please pray for provision.
- Please pray for the men in our church to be more intentional in their service.
